

738

Manton Suite 738

The style of the stone-effect surround is strongly influenced by the clean lines of the Art Deco period and is complemented by the modern lines of the fire.

- Versatile, slimline wall-mounted suite
- Choice of coal, pebble and shell fuel beds is included.
- Sold complete with black frame electric fire which has optional stainless steel side trims included.
- An extruded polished chrome (838CH) frame can be purchased as an additional enhancement.

Overall suite dimensions

	738	738 with 838CH
Height	900	900
Width	1000	1000
